

## Step by step legal requirements to set up Intra-Oral, Extra-Oral and CBCT dental premises in Northern Territory.

1. Shielding design for your Intra Oral and Extra-Oral radiation premises
2. Certificate of compliance for your Intra Oral and Extra-Oral radiation place (every 3 years)
3. Apply for Possession Licence for the practice and submit certification of place above with the application  
[http://www.health.nt.gov.au/Environmental\\_Health/Radiation\\_Protection/Application\\_Forms\\_and\\_Codes\\_of\\_Practice/index.aspx](http://www.health.nt.gov.au/Environmental_Health/Radiation_Protection/Application_Forms_and_Codes_of_Practice/index.aspx)
4. Certificate of compliance for your x-ray Intra Oral and Extra-Oral radiation apparatus (before use and every 3 years thereafter)
5. Certificate of compliance for your x-ray CBCT radiation apparatus (before use and every 1 year thereafter)

Sieverts Radiation Consultancy is able to assist all the above to ensure highest radiation safety hygiene for your practice and meeting all legal requirements under the NT Radiation Safety Act 2004.
